SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

CR2012-010276-001 DT

06/04/2014

Discussion is held.

The Court conferred with the attorneys, including the attorney for the victims. There are two threshold legal issues that must be addressed before the substantive Restitution Hearing.

First, the parties are entitled to know the scope of the permissible restitution claims that could be asserted by the victims for this issue. Leave is granted to the parties, including the victims, to present any legal authority in support of their respective views.

Second, there is an issue regarding the standing of counsel for the victims, the pivotal question is whether he may participate in the presentation of the restitution claims, including calling witnesses and examining other witnesses.

Both issues should be briefed by no later than June 19, 2014. If any party wishes to reply or respond to the brief of another, that response should be provided by no later than June 26, 2014. It is noted that acceptance of filings from counsel for the victims does not create an assumption that there is a right to submit pleadings nor does it waive the objections from the Defendant.

IT IS ORDERED setting this matter for Oral Argument on July 1, 2014 at 11:00 a.m. (1 hour) in this Division.

IT IS FURTHER ORDERED **vacating** the Restitution hearing set for June 6, 2014 at 1:30 p.m. subject to being reset at the oral argument.

11:37 a.m. Matter concludes.
